

FOLD ARRAY

"Panel by panel, in perfect sequence. Until the wall completely disappears."

Slide-Fold Window System

Introducing the FOLD ARRAY sliding-folding window system by Ammore Systems. Engineered for seamless movement and architectural flexibility. Slim profiles and intelligently aligned panels create wide openings and uninterrupted views. Rigorously tested and delivered ready to install, FOLD ARRAY ensures effortless handling, flexible installation, and lasting performance without compromising refined design.

Sliding-Folding Window

FOLD ARRAY

ENGINEERED TO INSPIRE

FOLD ARRAY

"Every casement runs on rotational force. TORQ engineers that force to feel effortless."

Technical Specifications

Glass Thickness	8 mm- single glass, 26 mm-DGU, 11.52 mm laminated
